

Welcome to Year 2!

2FP

We hope you're all well in these strange times and that you're looking forward to the summer holidays. We have lots of exciting things planned for Year 2, along with Class 2KP. We can't wait to welcome you all back and get off to a flying start.
Meet our team!!

Francesca Preedy (Class Teacher)

I'm 28 years old and the proud mummy to a cockerpoos called Flossy.

In my spare time I enjoy walking, cooking, & going to the gym. I'm well known for being competitive so watch out I may be asking for your help!

Lisa Goodge (Teaching Assistant)

Hi all, I'm Lisa Goodge. I live with my two children who are 19&17.

Some of my favourite things are reading, listening to music, chocolate and of course spending time with my family and friends. I look forward to meeting you all in September and learning lots of things about you.

Ella Walden (Teaching Assistant)

Hello year 2FP my name is Ella Walden. You'll all know me from your time in year 1.

I thought I'd tell you a little bit more about me. I love to colour, spend time with my family and explore. I dislike spiders and creepy crawlies!

I look forward to seeing you all again in September and hearing about all the exciting things you've all been up to. Keep safe and see you soon!

Welcome Back Task

As a mini home learning task over the holidays, we would like you to make a hanging decoration from a paper plate (with the center removed). We would like you to draw/put pictures of things that are all about you on one side, and then on the other side collage with anything orange. When you bring them into school on that first day in September, we are going to hang your picture in the middle of the plate and then hang them all in the classroom. It will look amazing. Plates available from school until the end of term.

Our theme as a school, when we return in September, is 'Life in Colour' with each year group taking on a different colour. We're going to have 'ORANGE' as our colour for the term. We will be exploring colour and all things orange!

So get thinking!!

Here's an example of what it could look like. Collage on one side and pictures/photos/drawings on the other side of things that you like/enjoy of things that are special to you. Paper plates are available from the office if you need to collect one before the end of term.
